Reference: **ML-AUD-2025-114** Date issued: **30 May 2025**

To: Aster Logistics Pte Ltd, Accounts Payable

1. Summary

This letter confirms that the records listed below were ingested into the Meridian Labs integrity vault, fingerprinted on receipt, and anchored to an immutable ledger. As of the issue date, each fingerprint re-verified successfully, indicating the documents have not been altered since ingestion.

2. Records covered

Document	Type	Ingested	Status
Service agreement ML-NDA-2025-018	Word	2025-05-01	Verified
Invoice INV-2025-0042	JSON	2025-05-12	Verified
May expense summary	Excel	2025-05-30	Verified
Data retention policy ML-DR-07	Markdown	2025-04-01	Verified

3. Note on scope

This confirmation attests to integrity (that the documents are unchanged since ingestion). It does not constitute an opinion on the accuracy or legal validity of the contents.
